

MARTIN COUNTY OFF-HIGHWAY VEHICLE (OHV) CLUB PLEDGE

Dear Club President:

My name is _____. I have resided in _____ County for ____ years and have been riding off-highway vehicles for ____ years.

I am aware that the Martin County OHV Club has the opportunity to obtain usage of some land to create an OHV Recreational Facility. When this opportunity comes to fruition, I would definitely like to be a member of the club so I, along with my friends and family, can participate in one of our favorite activity in this local area. Currently we travel approximately _____ miles to ride and do this at least _____ times per month. I would be willing to pay an annual membership fee of \$_____ and a daily riding fee of \$_____ to have the privilege of riding in this facility.

If you need any assistance whatsoever with organizing the club or with any type of task please do not hesitate to contact me. I am skilled in the following areas:
